

REMARKS/ARGUMENTS

Claim Amendments

The Applicant has amended claims 1, 11, 19, 20, 29 and 31. Applicant respectfully submits no new matter has been added. Accordingly, claims 1-31 are pending in the application. Favorable reconsideration of the application is respectfully requested in view of the foregoing amendments and the following remarks.

Claim Rejections – 35 U.S.C. § 112

Claims 1-31 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter as the invention. The Applicants have corrected the deficiencies in claims 1-10 and 19-22 and the Applicant respectfully submits that these claims are now allowable.

Allowable Subject Matter

The Applicant gratefully acknowledges the allowance of claims 11-18 and 23-31.

Claims 1-10 and 19-22 have been amended in order to overcome the Examiner's objections. Consequently, the Applicant believes claims 1-10 and 19-22 are also in a condition of allowance. The Examiner's consideration of these claims is also respectfully requested.

CONCLUSION

In view of the foregoing remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for all pending claims.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,

/Sidney L. Weatherford/
